

### Instructions

- To obtain a PDF of a required CSFM Listing:
- Locate the product in the tables below to find its CSFM Listing number(s).
  - ◆ For example: The D7412GV4 has a CSFM Listing number of 7165-1615:0242.
  - ◆ Since some products are listed as components of a system, also look under the Control Panel system you are using.
- Click this link to go to the CSFM Building Materials Listings Search page – [Link to search page](#).
- For Category, double click to highlight the –ALL Listings– and enter the first four numbers of the CSFM Listing number.
  - ◆ For our example, you would enter 7165.
- For Company, double click to highlight the –ALL Listings– and enter the next four numbers of the CSFM Listing number.
  - ◆ For our example, you would enter 1615.
- For Listing, use the pull down and click on the CSFM Listing number that you want.
- Click Search to display the CSFM document information.
- Double click on the listing number to open or save the PDF.
